PHILIPS

GoPix 1

GPX1100/INT

DESIGN AWARD 2022

The Philips GoPix 1 is premium, portable, and ultra slim pocket-sized DLP LED projector that delivers up to 75” of entertainment in nearly any location. Featuring a built-in battery with power bank compatibility, the GoPix 1 delivers true portability and up to 2 hours of entertainment without the need of a power cord. The USB-C video port lets you connect to all your smart devices including laptops, smartphones, or tablets to conveniently watch all your content. You can also use the USB-C charge with any PD charger, so you won't need to bring extras in your bag. The versatile HDMI port gives you the freedom to connect all your other devices as well. At only 18mm (0.71 inches) thin and made from aluminum the GoPix 1 is the slimmest and brightest projector out there. Easily slip it into your jacket pocket and carry it with you on business trips. The built-in speaker delivers clear sound for your professional presentations or entertainment.

LED	True 480p (Full HD supported)	Up to 75”	Up to 2h	USB-C	Speaker	78x120.5x18mm	245g
